BECKVILLE HIGH SCHOOL

Beckville, Texas

1948

Foreword

The purpose of this fourth volume of The Beckvillian is to present an interesting and accurate account of school activities which have taken place during the year.

The annual staff wish to thank the faculty, students, friends, and business houses whose cooperation with us has made this annual possible.

THE STAFF

Gene Barber

Editor-in-Chief

Dedication

The Staff and its sponsor readily acquiesce to the opinion of all Beckvillians that the 1948 issue of the annual be dedicated to the Bearcats. The reason is obvious:

The Bearcats won the district title their first season after reactivation in 1946. Their second year they won the district and the bi-district honors without an opposing score. They won the regional title with only one opposing touchdown scored.

So to this team, Coach "Lanky" Warren, the substitutes, and the managers, this annual is respectfully dedicated in the hope that its 1947 record will prove a goal to succeeding elevens in Bearcatland.

SUPERINTENDENT'S MESSAGE

The Beckvillian of 1947-48 represents the activities and achievements of the Beckville Schools during the past year. Surely our school system is not everything that we would like for it to be, but in looking back we find that much progress has been made, and, with the continued cooperation of all concerned, I feel that even greater progress can be shown in succeeding years.

The whole School System salutes the Editor, Sponsor, and Staff for this fine portrayal of the activities of our schools.

Our best wishes for much happiness and success go with you Seniors of 1948. May your work and efforts in the future be such that they will reflect credit upon yourselves, your families, the High School which you are leaving, and your God.

Sincerely,

R. G. Beauchamp

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
